DesignPoint is looking for a **Survey Assistant** to join our team. The successful candidate will have the opportunity to work on a wide variety of different projects, using state of the art equipment and software, and to work closely with the principals and senior staff at the firm.

Key responsibilities include:

- Work under the direction of the Survey Technologist;
- Assist in the completion of topographic and legal surveys;
- Assist in the completion of construction surveys;
- Attend safety meetings;

Key requirements include:

- Ability to work outside in all weather conditions;
- Attention to detail;
- Strong written and oral communication (English) skills;
- Ability to work in a team environment;
- Ability to use and experience with a chainsaw is an asset;
- Survey technician certificate would be considered an asset;
- Ability to use survey equipment would be considered an asset; and
- Valid driver's license.

Key Benefits:

- Respectful and collaborative work environment;
- Ability to grow and develop with a small local firm;
- Career and personal development opportunities; and
- Competitive remuneration packages.
