

About DesignPoint:

Headquartered in Bedford, NS with offices in Sydney and Bridgewater, DesignPoint is a leading professional services firm specializing in land development, municipal infrastructure, geotechnical, environmental, transportation, and structural engineering, and surveying services. Serving both public and private sector clients, we foster a team environment full of innovation and expertise, driving projects that shape the future of our communities.

Why Join Our Team?

At DesignPoint, we are a dynamic and growing team that is committed to providing a wide scope of engineering and surveying services across multiple disciplines and industries. We value creativity, innovation, flexibility and offer opportunities that allows our team to excel through continued learning, professional growth, and the freedom to explore forward thinking solutions. We are experienced professionals who enjoy a positive work environment and contribute to impactful projects.

Opportunity: Surveyor in Training

As a **Surveyor in Training**, you will be a part of our dynamic survey team gaining experience from our various Surveyors to aid you in learning and excelling as a future Nova Scotia Land Surveyor. The ideal candidate for this role is someone skilled in using survey equipment, is an analytical thinker, has a good attention to detail, and enjoys working in the outdoors.

Key responsibilities include:

- Field support for Surveyor;
- Regular communication with contractors;
- Preparation of legal survey plans;
- Attend safety meetings;
- Preparation of topographic plans;
- Participate in the development of project cost estimates;
- Research of plans and deeds;
- Calculation of plans of surveys; and
- Support on large land development projects.

Key requirements include:

- Completion of Geomatics Engineering program;
- Ability to use survey equipment;
- Ability to work outside in all weather conditions;
- Strong working knowledge of Carlton Survey or AutoDesk Civil 3D would be an asset;
- Ability to self-initiate and problem solve;
- Attention to detail;
- Strong written and oral communication (English) skills;
- Ability to work in a team environment; and
- Valid driver's license.

Key Benefits:

- Collaborative working relationship with the firm's principals;
- Opportunities for career and personal development;
- Competitive remuneration packages;
- Medical and dental coverage with Blue Cross, including unlimited access to online physicians;
- RRSP group plan;
- Free on-site parking;
- On-site gym with free equipment access (fitness classes extra);
- On-site restaurant and café;
- On-site chiropractor, physiotherapist, and massage clinic; and
- Bright, new office space.

Our Culture:

At DesignPoint, we have curated an environment that emphasizes innovation, creativity, and strategic collaboration. Our team members are encouraged to be forward-thinking and solutions focused. We pride ourselves on our positive work culture and our dedicated commitment to professional growth and education.

If you are driven to excel in your surveying career and care about making a difference in the field of surveying, while looking for a place to grow your career, we would love to hear from you.

Joining DesignPoint and being a part of a team that strives to be involved in the future of surveying in Nova Scotia will be a rewarding and elevated career experience.
